

# SCHEME OF ASSESSMENTS

## ASSESSMENT PATTERN (Nursery – II)

The Academic year is divided into Four Quarters :

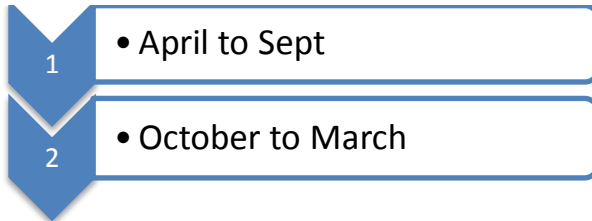

There will be no formal assessment however the students will be assessed on regular basis to attain a holistic growth of their young minds. The evaluation will not have formal test rather it will include general dialogues, quizzes, assignments, worksheets, group discussions and activities.

The adaptive assessment will be based on the following parameters:

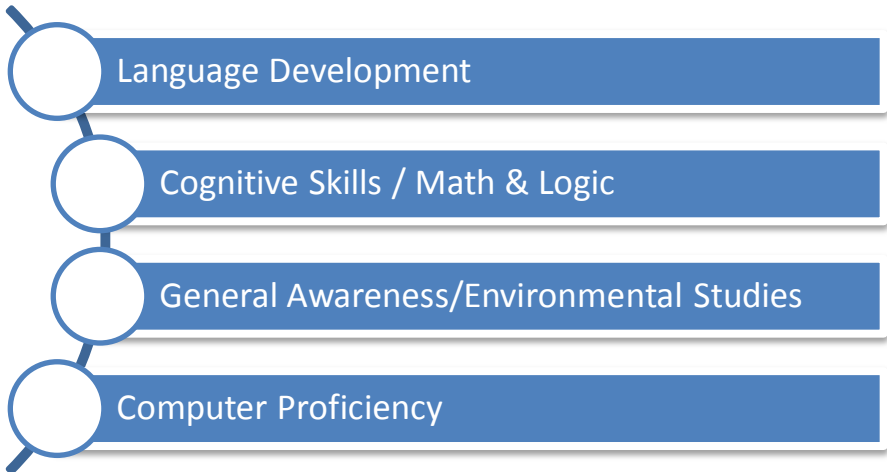

## ASSESSMENT PATTERN (CLASS III & V)

The Academic year is divided into two terms :

Formal Assessment will be conducted in Term II (Annual Exam) however the students will be assessed monthly on the basis of their class response, Subject Enrichment Activities, Assignments/Worksheets, and Integrated Project.

The Adaptive Assessment will be based on the following parameters:

## ASSESSMENT PATTERN (CLASS VI - VIII)
